

The title "Angular Lifecycles" is centered within a white, cloud-like shape with a scalloped border. This shape is set against a solid yellow background. A dark brown vertical bar is located on the far left edge of the image.

Angular Lifecycles

A decorative wavy yellow line runs vertically along the left side of the slide, starting from the top and extending to the bottom. It has a thick, irregular, wavy appearance.

NgOnChanges()

UseCase:

- If we want to re-render something, based on incoming data
- If we want to do some logic based on the incoming data

NgOnInit()

UseCase:

- Where we put all initialisation logic for our component

NgOnDestroy()

UseCase:

- Clean up logic for our component e.g unsubscribe from subscriptions
